Dear Friends and Prayer Partners

Special greetings from Lesotho which has recently seen torrential rains which have caused much damage to foot-bridges, bridges, ruined many roads and brought about many deaths due to people attempting to cross over Flood Rivers.

Dr. Luke's words in Acts 13:36 and 37 keep ringing in my priority thoughts. I can't get them off my mind. *"For when David had served God's purpose in his own generation, he fell asleep; he was buried with his fathers and his body decayed. But the one whom God raised from the dead did not see decay."* Dr. Luke shows Christ as superior to David. David, great as he was, accomplished great things as he was, having served the Lord with effectiveness, "fell asleep." He died. His body saw corruption. It decomposed. David could serve only his generation. Christ's body saw no corruption. He rose again. He serves ALL generations. He is God. We aren't . . . but we can do our utmost part wherever God places us as David did and serve our generation.

In this newsletter we would like to share pictorial news of conducting very successful LTEE Seminars in three respectful weekends during the months of February

and March. We also invite you to rejoice with us in the way God has blessed us in and through them all.

Banking Information:

Global Evangelism Ministries, Standard Bank, Ladybrand, South Africa, a/c no 244616256

We are happy to tell you that at the end of February and the beginning of March this year the Prime Minister, Honorable Moeketsi Majoro announced that Basotho had done excellent work by moving down from 47% to 7% with the impact of Covid-19 pandemic even though a standard set by W H O has to be at least the maximum of 5% if the country is taking precautions well in trying to stop the spread of coronavirus.

Please Pray for: It has come to our realization that the Lesotho Theological Education by Extension (LTEE) is becoming a college like setup, and therefore the pressing need is LTEE Administrator – we also ask you to trust God with us for the remuneration for 'M'e 'Mathibello Phekani, a member of LTEE Committee, a High School retired principal who has volunteered herself in administering setting of question papers, marking and sorting out manuscripts of our TEE Program.

Thank you for NOT being a “one-time”, “part-time” helper in the harvest. Your continued, faithful support both prayerfully and in kind makes a huge difference. TOGETHER we are making an IMPACT to precious souls with the Gospel of Jesus Christ.

Sincerely
Joseph, Thabiso, Families and Volunteers
